WINTER 2014

THANKS FOR GIVING – As winners of the Watertown Community Foundation’s Thanks For Giving Essay Contest, WHS students Ashley Brage and Carly McPeck were able to designate a \$500 WCF grant and \$250 WCF grant, respectively to their chosen local nonprofit. The WCF Youth Council judged the essays which were written during WHS instructor Kris O’Brien’s AP English and Composition class. Winning first was Ashley who wrote about Town Players Youth Theater. Second place went to Carly who wrote about the WPD Camp Chance program. From left, are Student Resource Officer Brandon Johnson, Connie Cutler, and Special Operations Capt. Tracy Schaefer, representing Camp Chance; Ashley, Jan DeBerg, WCF executive director; O’Brien, and Carly with Nancy Johnson of Town Players.

The mission of Watertown Community Foundation is to invest in the vitality and future of Watertown by supporting community priorities, responding to human service needs and enhancing recreation, education, arts and culture.

Book of Memory

An inscription in the Foundation's Book of Memory is a beautiful and lasting way to celebrate an anniversary, other special occasion, or remember a loved One. Commemorations with a gift of any size may be made to the general endowment fund or designated to another fund by the donor. This enduring tribute is presented in a leather-bound volume and displayed in the lobby of the Watertown Community Foundation. Memorials become part of the Foundation's permanent charitable endowment, the earnings from which are used to meet the growing charitable endowment, the earnings from which are used to meet the growing charitable needs of our community. A memorial gift, therefore, keeps giving year after year.

The following are gifts included in the 2014 Book of Memory (at the time of this printing) We regret any errors or omissions.
